

Rotary

Rotary is where local leaders - you, your neighbors, friends, and problem-solvers share ideas, mobilize, and take action to create lasting change; we are people of action! We are also people of fun, good relationships, and business. We laugh, play, and do business as we make the world a better place.

Rotary brings together a global network of volunteer leaders who dedicate their time and talent to tackle the world's most pressing humanitarian challenges. Rotary connects 1.4 million members from more than 200 countries. Their work impacts lives at both the local and international levels, from helping families in need to working toward a polio free world.

Members of the Fairfield-Suisun Rotary Club are passionate about the work we do in our communities--both local and international. That's because Rotarians pick projects that make a difference to youth, the vulnerable, and the world. Some of our local projects include:

- Rotary Success Scholarships for Fairfield PAL students to attend SCC
- Monthly dinners for Fairfield PAL students
- Assist-a-Grad Scholarships
- Meals on Wheels meal delivery
- Sorting and bagging food at the Food Bank
- Salvation Army Red Kettle fundraising
- Evenings of Honor for police and fire

International projects include:

- Creating a medical/dental clinic in rural Haiti
- Fighting to eradicate the polio virus from the world.

ROTARY ROCK'N RHYTHM

Supporting VFW Posts in Fairfield-Suisun, Vacaville & Vallejo

Enjoy a concert by Decades while supporting our veterans

The Rotary Rock'N Rhythm concert is a fundraiser for the Veterans of Foreign Wars (VFW) posts in Fairfield-Suisun, Vacaville and Vallejo, and the Rotary Club. VFW is a nonprofit that traces its roots back to 1899 when veterans of the Spanish-American War (1898) and the Philippine Insurrection (1899-1902) founded local organizations to secure rights and benefits for their service. Many arrived home wounded or sick. There was no medical care or veterans' pension for them, and they were left to care for themselves. So veterans banded together and formed the Veterans of Foreign Wars of the United States.

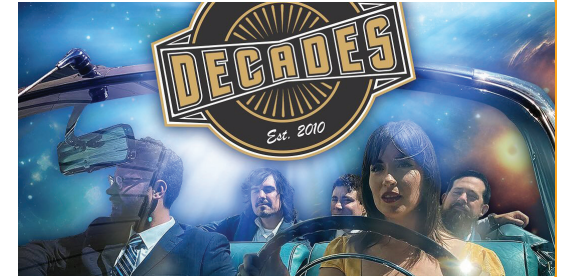

VFW was instrumental in establishing the Veterans Administration, development of the national cemetery system, in the fight for compensation for Vietnam vets exposed to Agent Orange and for veterans diagnosed with Gulf War Syndrome. In 2008, a revised GI Bill expanded educational benefits to America's active duty service members, and members of the guard and reserves, fighting in Iraq and Afghanistan.

Today, VFW is dedicated to supporting those who sacrifice so much for this country and they continue to be a voice for returning and currently deployed service members, veterans, service members in the US Armed Forces, and their families.

VFW Vision

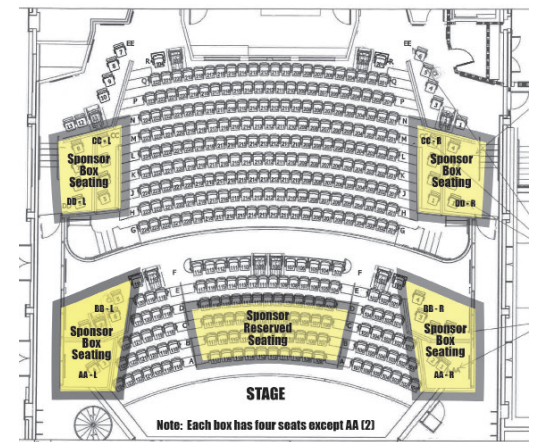

Ensure that veterans are respected for their service, always receive their earned entitlements, and are recognized for the sacrifices they and their loved ones have made on behalf of this great country.
